

Lindbergh Lights the Way 3rd Annual College KickStart Program

What are we doing? Providing essential supplies to students who are attending a 2 year college/trade school or 4 year college in the fall.

Which students? 19 graduating Lindbergh seniors who may not otherwise be able to provide these items for themselves.

Why do this? Our goal is to make the transition into college as smooth as possible for all students.

How can YOU help? Visit: bit.ly/2020collegekick to sign up for items you'd be willing to donate.
